

The Mountain level -1

1 – A powerful force pulls you back.

2 – You find a tool: 12 rations

3 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...

4 – A Keeper of Earth appears, and asks a question: “Which flower blooms only in the cold and is of immense complexity?” **(ICEFLOWER)**

He gives you some dry clay. You find a tool: Dry clay

(and you’re TP to 5)

5 – TP from 4

6 – A Water Elemental grows out of the ground in front of you. He gives you a handful of water.

You find a tool: Some water

(Use it) The dry clay becomes malleable (Dry clay has turned into Lump of clay)

(and you’re TP to 7)

7 – TP from 6

8 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...

9 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...

10 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...

11 – A small creature pulls at your clothing: “Stop brave comrades, for only 350G I’ll tell you a secret.” Who should pay the 350G (1-6)? (after paying) He whispers: “Walk along the passageway and at the end of it go through the door... Then go North. But remember this: your goal lies in the Northwest. Never leave this way.”

12 – An Air Elemental appears and seems to wait for something. (Use Lump of clay) The guardian makes a key. You find a tool: Wet clay key

(and you’re TP to 13)

13 – TP from 12

14 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...

15 – A small creature says: “For 300G I’ll tell you a secret.” Who should pay the 300G (1-6)?

(after paying) He counts the coins, says: “Thank you” and marches off laughing...
