

How to start the game

The characters transfer must have been done prior to that.

Double click on DOSBox 0.74-3 on the laptop

type: cd wizardr2 (this is the name of my folder, use your own, which must be 8 characters max)

type: wiz2

(S)tart

(G)ilgamesh's Tavern

(A)dd your characters

(L)eave the Tavern

(E)dge of Town

(M)aze

optional but recommended, if your Cleric or Bishop is in 4th place:

(4)

(S)pell

MAPORFIC (which will protect your team a little bit all the time)
