

## 7 – Dungeon of the Bleebs

Blue pools  are traps, you take damage

Green pools  are teleporters (T is departure, A is arrival)

Red pools  trigger a mechanism (the only mechanism I could notice is the change of TP4 with 2 different destinations A4)

14 – The first Bleeb says – “Push the button with my color which is red.”

15 – The second Bleeb says – “If I were red I would tell you to push the blue button.”
