

# Floor -4

1 – A large sliding wall with the image of a bear upon it blocks your path and forces you out of the room. **(you need Statue of Bear from Floor -2)**

2 – A sign on the door reads: Private Express Service Elevator! Authorized users only!

3 – A sign on the door reads: \*\*\* Testing Grounds Control Center \*\*\* Authorized personnel only!  
<< Do not enter >>

4 – Suddenly, a loud alarm bell can be heard. Then the bells stop, and are replaced by the sounds of guardian monsters!

5 – A sign on the door reads: “Treasure repository.”

6 – A sign on the door reads: “Monster Allocation Center”

7 – (You fight these monsters:

Rank 1: 2 lvl 7 Fighters

Rank 2: 2 lvl 7 Mages

Rank 3: 2 High Priests

Rank 4: 1 High Ninja)

**(Reward is a Rod and a Ring, the ring is cursed. The rod is the Rod of Flame which casts MAHALITO and protects the caster from fire damage, until it breaks down.)**

8 – In this room, there is a large desk. On it are the remains of crystal balls and other magical artifacts; all now broken. As you entered the room, a panel on the door slammed shut. Then it glowed a pale blue. No one can pry it open. Next, the door on the other side of the room starts to glow bright orange, inviting the party to use it.

9 – As the party enters the room, the door slams shut, glows orange and vanishes! A door appears to the right. A voice, coming from the ceiling addresses you:

“Congratulations, brave adventurers! Today you have proved yourself to me and are now ready to start your quest! Years ago, my amulet was stolen by the evil wizard Werdna. Werdna hides in the maze somewhere below us. Find him! To aid you in your quest, I will give you a blue ribbon, which may be used to enter the elevator on this floor. Go now – and may the gods guide you!” **(you get Blue Ribbon)**

10 – You all fall asleep! Later, everyone wakes up, feeling sick and weak. You are back outside the door you tried to enter. **(you need Blue Ribbon)**

**Lift D** This is the Lift from A to D, in other words from Floor -1 to Floor -4  
(Here it's D for Level -4)

**Lift A** This is the Lift from A to F, in other words from Floor -4 to Floor -9  
(Here it's A for Level -4)
