

Dwarven Mines level -2

26 – You find a tool: Nugget

27 – This room is filled up to the ceiling with sacks of iron ore. A few spades are in the corner.

28 – Here is a smaller box filled with iron ore. Do you wish to take it with you (yes/no)?

After nearly breaking your back, you think about it again.

29 – This is a depot for weapons, armour and spades

30 – The lodgings of the dwarves start here, a notice warns: 'It is not permissible to take spades/pick axes into rooms!'

31 – You enter the room of a dwarf, a spade has been hidden under the bed.

32 – A notice warns: 'Danger explosives! Smoking can substantially damage your health!'

33 – This is a spade deposit room. 'Spades are not to be removed!' A surprised dwarf drops three.

34 – An open sack lies on the ground, it contains a black powder that smells like sulfur. You find something special: **Gunpowder**

46 – (Use gunpowder here)
